

A Unique Event Supporting Remarkable Individuals

Our mission is to connect children with special needs, and their families, to the miracles of nature so they may know their Creator.

Greetings,

We realize you are an incredibly busy person, but hope you can take a few minutes to learn about and consider supporting a very special event.

We are asking for your help with a fundraising event where 100% of the proceeds will be donated to Zachariah's Acres. We are seeking items to raffle and monetary donations. Perhaps you have a special idea for a contribution you can make, if so we would love to hear about it.

We are the Okauchee Area ATV/UTV Club, serving greater Waukesha County Wisconsin. We are a 501c(3) charitable non-profit organization focusing on ATV/UTV safety and establishing ATV road routes in Waukesha County. Our club consists of civic minded folks who love to give back to the communities we live in and genuinely enjoy helping the less fortunate.

We are excited to share that, as part of our mission, we have formed a partnership that reflects our mutual dedication to inclusion and the enhancement of our community. By collaborating with Zachariah's Acres, we aim to make a meaningful impact on the lives of children with special needs and their families. Together, we are crafting an initiative that unites our shared passions for outdoor activities and the joys of nature.

For those who may not be familiar with Zachariah's Acres, it is a one-of-a-kind place where children with special needs find purpose and belonging while exploring God's Creation. When guests visit the universally designed campus, nature, wildlife, and agricultural experiences are accessible to all. The focus is serving the underserved - individuals of all ages with cognitive and physical disabilities are welcomed with open arms. Zachariah's Acres is a beautiful setting where families challenged by special healthcare needs feel acknowledged and loved as they experience new adventures together. For more information please visit www.zachariahsacres.org

Our fundraising event will feature a guided UTV road route ride leaving from Zachariah's Acres and returning later for a provided dinner. Presentations by Zachariah's Acres and OKATV, raffles and camaraderie. We are in the process of finalizing the details of our event and plan to announce the details on our website soon. We welcome you to visit www.okatv.org for details about our inaugural event and for registration information once available.

This initiative aims to bring together ATV/UTV enthusiasts, residents, and local businesses to support and perhaps expand the pool of children Zachariah's Acres is able to serve. By partnering with community stakeholders, we strive to promote outdoor recreation while ensuring environmental stewardship and respect for our shared spaces.

We appreciate any support you can offer. If donating your products or services is not feasible, please consider a monetary donation that we can use to purchase items to auction or raffle.

Thank you for your consideration,

Matt Thompson
